Description

Most of your apprenticeship is spent working. You'll learn on the job by getting hands-on experience.

- You'll help build a clear picture of each client's business, goals and challenges, then see how HSBC brings the right people together to respond
- You could help prepare client presentations, reports and credit papers, support strategic reviews and pitches, and carry out financial analysis and risk assessments on portfolios and transactions
- You'll also work with colleagues across Legal, Credit and Risk to understand how we deliver tailored solutions responsibly
- You'll get early exposure to client-facing work and see how strong relationships are built, grown and protected over time
