

# Digital Edge Programme

---

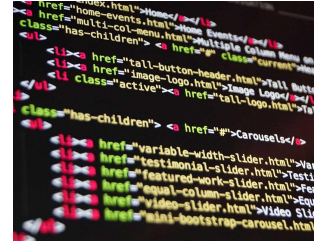

Location: **Calderdale**

Posted: **11th January 2022**

Employer: **Catch-22**

Role type: **Training**

Entry Requirements:

**This vacancy is a stepping stone towards employment. Although it is not a job vacancy, it prepares people for employment and helps to build the skills needed in the workplace.**

Want to work in IT? The Digital Edge Programme, supported by Microsoft and Salesforce, is recruiting now. Start dates are on a monthly basis.

The programme runs for 2 days a week for 3 - 4 weeks and is done completely remotely using Microsoft Teams.

Over the 3- 4week programme, you will receive vital employability skills training, an insight into the digital and technology sector whilst doing practical activities and gain confidence in applying for digital apprenticeships or entry level IT roles.

The programme covers the different types of tech roles available in the industry, the different tech jargon terms, how to tailor a cover letter and CV to these specific positions, as well as group projects.

The programme also includes guest speakers from Tech Apprenticeship providers, and Microsoft or Salesforce staff.

## Entry requirements

To apply, you need to:

- Be interested in Digital and Technology and have a basic knowledge of computers
- Be aged 18 to 45
- Have access to a laptop/computer and headphones
- Be unemployed and not in education.
