Description

Our Corporate Risk & Broking (CRB) business is one of the world's largest insurance brokers and risk advisory firms. We help clients ranging from small businesses to multinationals to understand, assess and manage their risks. Day-to-day responsibilities include:

- Building your skills through both on-the-job and structured training
- Building relationships with clients as well as colleagues
- Supporting and contributing to a wide variety of complex client projects
- Playing your part in delivering exceptional service to our clients

How to apply

Please apply on the **company website**.
